

Dear Parents

I hope you are all well and much brighter than the rather dismal weather. We have been rather fortunate to avoid many indoor breaks as getting out in the fresh air and moving around at breaktimes helps us all so much.

I have been especially pleased to see how the Juniors have responded to learning their words for the school play next month - please can you help them (and us) by making sure this continues as we approach the performance date. Also, some of the Juniors are working towards the Queenswood Award so their weekly volunteering tasks are vitally important: this is such a positive tool in supporting the children's independence and personal development.

We are proud to have established a school orchestra - small, but perfectly formed with a flute, saxophone, ukeleles, recorders and percussion! We hope to make our debut later this term! Onwards and upwards! The musical life of Queenswood is so important as it helps the children with skills, concentration and self-esteem: our House Music competition in June and Queenswood's Got Talent in July will no doubt be great occasions for us to enjoy.

Swimming resumes next Wednesday and menus will be based on Week 3 for lunches. Please can I also beg donations for the Spring Fair on Friday 3 May - anything and everything will be put to good use! Also, if anyone wishes to book Holiday Club, please let Mrs Tanner know as the places will be limited: the letter was issued earlier this week.

Finally I urge you to keep up to date with our website and facebook page as it will become increasingly busy as we move through the term.

Hope you all have a lovely weekend,
Julie Tanner
Head Teacher
